

Introduction to Law: The Constitution Unlocked—Thinking Like a Lawyer

This 12-session elective, taught by federal judges and practicing lawyers, will expose students to a range of exciting and relevant legal topics, and will help students to develop their public speaking and advocacy skills through preparation for a moot court competition. The elective will be held on Wednesdays from 5:00 p.m.—6:15 p.m. at the Thurgood Marshall U.S. Courthouse (40 Foley Square) in downtown Manhattan, beginning on January 21, 2026 (no class on February 18, 2026, April 1, 2026, or April 8, 2026). One session will include a field trip to a law firm. Family members are invited to attend the final session on Wednesday, April 29, 2026 at the federal courthouse to watch the students participate in a moot court competition.

A sampling of topics that will be covered throughout the elective include: the First Amendment and student speech, the Fifth Amendment and student privacy, the Constitution and national security, and improving fairness in the criminal justice system. A full agenda for the program is attached.

Students will have the opportunity to meet and speak with federal judges and practicing lawyers during the sessions and learn about careers in the law.

Students who are interested in participating should fill out the registration form, linked [here](#). There is limited capacity in this free program and spaces will be offered on a first-come first-served basis.
